I am extremely motivated for an opportunity to work in the HVAC/R field full-time. I will work hard to not only maintain, but exceed the expectations of customers and employer.

I currently posses my G2, ODP, 363 IPEX, Gastite, WHMIS, Working at Heights and G drivers license along with a clean driving record. My experience includes 5 years of construction (mostly consists of installing fences, decking and weeping tile systems) and 3 years of fixing and maintaining furnaces. I am also more than willing to obtain any other licenses that are within my right to acquire upon request.

Willing to relocate: Anywhere

I have helped a family member maintain his rental units. Whenever the tenant had a problem with their heating, I have always completed the job in a timely, diligent and successful manner.
